

Biography

Mary Capan

Mary Capan is a self represented artist that works in her own studio and gallery in Montreal.

Abstract is her passion where she finds an absolute harmony and satisfaction in painting. Her art is spontaneous, original and very optimistic and this can be seen in all her creative artworks.

Her paintings can bring a distinct focus, change the look in various spaces and improve the imagination, inspiration and creativity.

She is fascinated with color combinations and their noticeable effects on people's life, while adding extra color energy into different spaces.

Mary Capan's creations can be seen in homes, offices, private and corporate famous collections and galleries throughout the world.
